Guest Speaker

Andy Balazs came to talk about the upcoming school levy. They are starting a committee to help get the levy passed. Mark Trubiano will be heading the committee with Andy Balazs helping him. The board has not decided when the levy will be on the ballot either August or November. They are going to need volunteers to help with the campaign. There will be several committees that will need help. They are hoping to get help from elementary school parents. The committees will meet every other week for about an hour. More information will be coming once they know when the levy will be on the ballot. Mr. Balazs also thanked the PTA for everything they do for the district.
