# KES Summer Math Incentive

Experts agree that the ability to recall basic math facts fluently is necessary for students to attain higher-order math skills.

Our goal to prevent the summer slide in mathematics for our KES students is to continue to build fluency in math facts.

We would like students working on the XtraMath online math program over the summer. XtraMath is a math-fact fluency program that helps students master addition, subtraction, multiplication, and division.

To login to Xtra Math, please refer to your child's personalized login information (to be found in report card envelope).

Students will continue working on the program they are currently using in their classroom. If you need help moving your child to a different program over the summer, please email Mrs. Bonacci at [julie.bonacci@kirtlandschools.org](mailto:julie.bonacci@kirtlandschools.org).

## Incentive

**Students who log-in and complete a day's session of XtraMath for 50 days throughout the summer will receive an ice cream party when school resumes in August.**

We will receive reports listing how often students worked on XtraMath. We will look at the START date as June 5 and the END date as August 20.

## **TIPS AND TRICKS**

- **Want to hide the "teacher" or timer on your child's program? Login as a parent > go to "Child Settings" > check the box(es) saying "Hide Teacher" and/or "Hide Timer"**

## Questions?

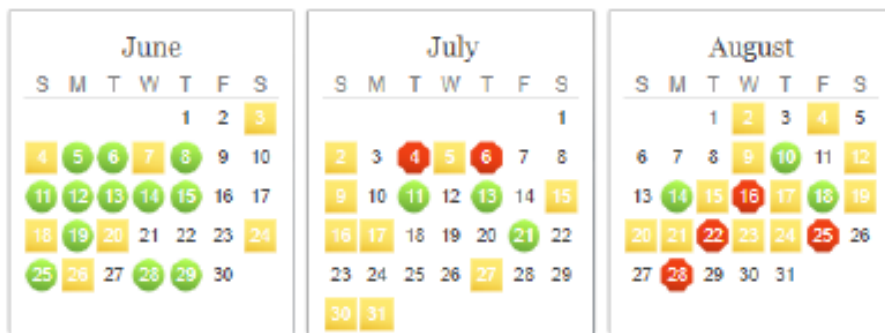

Contact Mrs. Bonacci at [julie.bonacci@kirtlandschools.org](mailto:julie.bonacci@kirtlandschools.org)

**Turn over for  
participation info.**

# KES Summer Math Incentive

## How will we calculate your child's participation?

We have access to your child's XtraMath calendar. You will see something like this when your child logs-in:

A green circle,  
yellow square,  
or red octagon  
will be counted  
towards  
participation.

The gray  
hexagon  
symbol will not  
count towards  
participation.

### Calendar Key

The calendar identifies days the student did XtraMath.

- At least 90% correct answers.
- Between 10% and 25% wrong answers, or too few answers.
- Over 25% wrong answers, or very few answers.
- Signed in, but did not complete an XtraMath session.

Click on a calendar day for details on that day's activity.

Please refer ONLY to the calendar when calculating your child's participation. Summer participation will be counted as beginning June 5 and ending August 20. Days before June 5 or after August 20 will not be counted towards the summer incentive.

Dear K.E.S. Families and Relatives,

I wanted to express my sincerest appreciation for your on-line purchases this year through the use of our digital art gallery, Artsonia! With the proceeds generated, I was able to buy new art aprons for our primary artists as well as other needed art supplies.

I would also like to mention that none of this would have been possible if it weren't for some terrific fifth grade artists who missed many recesses to publish art pieces. This year, our gallery has nearly 5,200 pieces displayed. If you haven't done so already, please take a moment to explore the fantastic artwork on our Kirtland Elementary page at [www.artsonia.com](http://www.artsonia.com). Please consider using Artsonia over the summer for birthday and holiday gifts. I am looking forward to watching their creativity continue next year!

This summer, take a creative break! Find a moment to be artistic! Here are a few ideas to keep your artist engaged in art:

Sidewalk chalk art Origami

Rock painting Sculptures

Take a class Weaving

Visit the Cleveland Museum of Art Take photographs

Purchase a sketchbook and draw whatever inspires you.

# Willoughby Stingers Swim Team – 2019

The Willoughby Stingers are a recreational swim team with an emphasis on providing a fun and safe summer activity for swimmers of all levels of experience and developing each swimmer's ability to swim all four strokes (free, back, butterfly, breast). The Stingers compete in the Suburban Swim League, or SSL, mostly against other Lake County teams. Many Stingers are also year-round competitive swimmers with the Lake Count West End YMCA Wildcats and area USA Swimming Teams. Some Stinger swimmers also use the swim team as a fun way to keep in condition for other competitive sports, such as soccer, basketball, and volleyball.

All children between the ages of 6 and 18 (as of June 1) are eligible to join the Willoughby Stingers Swim Team. **Children 6-8 years old must be able to swim a minimum of one (1) length of the pool unassisted, children 9-18 years old must be able to swim a minimum of two (2) lengths of the pool unassisted. Unassisted includes without floating devices.**

Team practices are Monday-Friday mornings at the Euclid Avenue pool as well as Tuesday and Thursday nights at the Osborne pool on Lake Shore Blvd. Swim meets with surrounding communities will typically be on Saturday mornings, with a possibility of one or more Friday night meets.

Stingers registration fee is \$80 per swimmer with a family maximum of \$200 through June 1st. After June 1st until June 8th the cost will be \$100 per swimmer. You will receive a Stingers team t-shirt and a swim cap with your registration. There is no guarantee for a team t-shirt to members who join after June 1st. Registration deadline is June 8th. Payment: Cash, personal checks & credit cards will all be accepted during walk-in registration. Only credit cards will be accepted online.

On-line registration is available through June 1, 2019. Login at [www.stingerswim.com](http://www.stingerswim.com) to enroll. Additional late fees will be charged when registering from June 2- June 8. There will also be a **walk-in registration on Saturday, May 18, 2019, from 9:00-11:30 am in City Hall at the Parks & Recreation Department.** At that time, you will be able to look/purchase team swim suits, spirit wear and purchase your season pool pass. Please bring a photo ID and a current utility bill with your name and address on it.

**All swim team members must also have a Willoughby Pool Pass.** They can be purchased at the Parks & Recreation Department from 7:30 am – 4:30 pm (or until 6:00 pm Monday through Thursday, May 9-June 1). **If you do not have a pool pass by June 4, 2019, you will not be eligible to practice or swim with the Stingers swim team until a pool pass is purchased.**

If you have any questions please refer to our team website at [www.stingerswim.com](http://www.stingerswim.com) or email Chris Boeman, Stingers Board President, at [chrisboeman@yahoo.com](mailto:chrisboeman@yahoo.com), or you can text him at 440-278-1221.

In addition, The Kirtland Schools' Bright Beginnings Preschool staff will offer summer outings and get-togethers for parents and children to get acquainted as they begin and continue their Preschool journey.

☀ Older 4 year old and 5 year old learners

Dear Kirtland Parents and Guardians,

We are looking forward to registering your child in the Kirtland Schools' Bright Beginnings Preschool for the upcoming school year! Many parents have already expressed their desire to have their child continue to attend the preschool housed at Kirtland Elementary School. We are very excited and pleased that your child has enjoyed the program this year and we look forward to your child continuing to grow in his/her academics in the year to come!

**Registration:** Kirtland residents on January 7, 2019 through April 12, 2019.

**Currently Enrolled Bright Beginnings' Students:** Parents of currently enrolled preschool students do not need to fill out all of the Preschool registration forms again. However, parents will need to sign the attached form to register. To secure your child's placement in Bright Beginnings, parents must pay the \$100.00 deposit by check made payable to the Kirtland Local School District. You may send the deposit and re-registration form to Mrs. Miller and she will attach it to your child's previous registration forms. **Students will not be placed into a Bright Beginnings classroom until the attached form is complete and the deposit is paid.**

**New Students to Bright Beginnings:** To secure your child's placement in Bright Beginnings, parents must pay the \$100.00 deposit by check made payable to the Kirtland Local School District. Students will not be placed into a Bright Beginnings classroom until the registration packet is complete and the deposit is paid. You may send your child's Registration Packet and deposit to Diana Simpson at the Kirtland Board of Education. Students must be 3 years old by September 1, 2019 and must be potty trained by the first day of school to attend.

**Number of Classrooms:** The number of Bright Beginnings' classes will depend upon student enrollment. Currently Bright Beginnings offers one class in the morning from 8:45-11:15. Our goal is to offer an afternoon class from 12:15-2:45; however the additional class will only be added if the number of students enrolled substantiates the additional classroom. A decision on the number of classes that will be offered will be made in early April and parents will be notified by April 19, 2019 if their child has been placed in a Bright Beginnings Class.

Project AWARE Ohio has developed an information brief entitled: *Depression in Adolescents*. Please refer to that information brief (which can be found at: <http://resources.oberlinkconsulting.com/>) for an introduction to depression in adolescents, an understanding of the risk and protective factors, and suggestions for how schools can help adolescents experiencing depression. Included both in the information brief and below is a listing of online resources for adults working with depressed youth.
