MEDICATION MEMORANDUM

TO: Recreation Participants, Parents, Guardians, and Staff

RE: Medications on Field Trips

This memo is to clarify how medications will be handled while on recreation activities. The following is the procedure for the administration of medications:

- A. Only licensed medical personnel are given the authority to administer medication during recreation activities unless the participant can administer his/her own medication independently.
- B. The medication may be kept by the participant or with the recreation staff assigned to the activity.
- C. If the participant, while on a recreation activity, will be self-administering medication, written notification must be given to Recreation Services staff prior to that activity regarding:
 1. Name of Medication
 2. Date and time medication is to be administered
 3. Dosage and quantity of medication to be administered

Please note that Recreation Services staff must have written notification of individuals taking meds at least 24 hours prior to the activity. This policy will be strictly adhered to and participants cannot attend activities without prior notification.

Recreation will also need to know who will hold the meds, as well as, any reminders or assistance these people might need in administering their own meds.

Thank you for your cooperation in assisting us to ensure everyone's safety during these activities. Our fax number is 440-350-5135.

SUMMER 2019 ACTIVITIES

We have put together a variety of fun Summer activities.

Follow the direction below and join us to celebrate **Summer 2019**.

Each participant may select **ONE** activity that they would like to participate in. On the choice sheet below, write "1" next to the activity that is your 1st choice. In case your first activity is filled, select the activity that is your 2nd choice, and write "2" next to it. Each participant will most likely get one of these two choices unless both are filled. **PLEASE REMEMBER THAT YOU ARE NOT CONFIRMED TO ATTEND UNLESS YOU RECEIVE NOTIFICATION FROM A RECREATION STAFF.**

Due to the overwhelming response, only ONE activity is available per participant.

1. You will receive a **CONFIRMATION MEMO** prior to your activity. This memo will have all of the final information you will need for your outing which may be different from the brochure.
2. The Recreation Expense Fund will not cover food costs for activities.
3. The Recreation Department does not dispense any medications. If you will be taking any medications, please notify the Recreation Department.
4. **NOTE:** All activities that arrive back late night (dark) will have pick-up at VGC parking lot for security/lighting purposes.
