Kirtland Elementary School is a part of the national Box Tops for Education program. Each Box Top is worth **\$0.10**, which very quickly adds up with community support. Money generated from this program goes towards t-shirts, assemblies, Caught Being Good, technology and other supplies.

**Box Tops for Education Guidelines**

1. Box Tops **cannot** be **EXPIRED!**
2. Expiration date **must be visible!**
3. Box Tops should be taped or glued to each logo below **OR** collected in a Zip Lock bag. **Please trim the Box Top to help reduce shipping costs.**
4. **Please do not glue or tape BONUS Box Tops.** Paperclip these to the top, as they need to be submitted separately.
5. When your sheet is complete, send them in with your students homework.
6. Please do not include **Labels for Education**, that is a separate program
