Guest Speakers

Mrs. Moran and Miss Wenham came in to talk about the new Third Grade Guarantee and early literacy development at KES. The Third Grade Guarantee is new this year. If a student is not at a certain level of reading

by the end of the third grade year they will not go to the fourth grade. Students were tested in September and have a plan to help them get to where they need to be. They also talked about literacy programs at KES. There are many things that are done to help the students. If a student needs help they will get that help.

Jo Randlett asked to talk about having a high school directory. The board explained that we had discussed it in the past, but that it would be very hard to do. Most parents have said they have the numbers they need and would not be interested in it. Since we are already done with the KES directory for this year it was decided it was too late to do this year.
