

# Kirtland High School Yearbook Senior Photo Specifications for the Class of 2020

Please adhere to the following photo specs for senior portraits:

- Color portraits only.
- Head and shoulder portraits only. No full body.
- Portraits must be vertical. If you submit a horizontal photo, it will not fit our vertical template.
- No props. Often students take pictures with a prop that is reflective of their personal interest (baseball cap, sports equipment or musical instrument etc), however, these types of pictures are not appropriate for the senior portrait section and we encourage families to consider these photos for the Personal Message section of the yearbook.
- No distracting elements.

Digital Submission Guidelines:

- Digital images must be a minimum 1 MB file size for optimal clarity.
- All files must be RGB jpg. file.

**\*Portraits deemed unacceptable by the yearbook staff will not be used and the student/parent will be contacted for a replacement or we will use the school picture taken by Lifetouch.**

Digital pictures may be emailed to the yearbook adviser at [jennifer.berry@kirtlandschools.org](mailto:jennifer.berry@kirtlandschools.org)

**Deadline for submission: Friday, February 7, 2020**
