OFFICIAL RULES

By submitting an artwork to the “National PTA Reflections Program,” entrants accept and agree to be bound by the official rules for participation as well as the entry requirements for their specific arts category and division. Additional state program requirements may apply. Any violation of these rules may, at PTA’s discretion, result in disqualification. All decisions of the reviewers regarding this program are final and binding in all respects. (The “PTA” referred to in these rules include all PTAs reviewing the submission).

- 1. ELIGIBILITY.** Students must participate through a local PTA/PTSA. Each student’s eligibility is determined by the state and local PTA/PTSA. A student may develop an entry inside or outside of school.
- 2. ARTS CATEGORIES.** There are six arts categories—dance choreography, film production, literature, music composition, photography and visual arts. Students may enter the National PTA Reflections Program in one or more arts categories. See each arts category rules for additional entry requirements.
- 3. GRADE DIVISIONS.** Students may enter in the appropriate division for their grade (Primary: Preschool-Grade 2; Intermediate: Grades 3-5; Middle School: Grades 6-8; High School: Grades 9-12; Special Artist: All grades welcome).

The Special Artist Division welcomes students from all grades and abilities and offers non-artistic accommodations (e.g. adaptive technology; transcribing; holding a camera) for students to participate fully in PTA Reflections. Assistants must refrain from being involved in the artistic process (e.g. developing an artist statement, choreography, music lyrics, storyboards, etc.) Student recognition and awards are announced as part of the Special Artist Division.
- 4. HOW TO ENTER.** Entrants must submit their artwork and student entry form to their local PTA/PTSA program according to local and state PTA procedures. Entrants must follow requirements and instructions specific to each arts category and division. Contact local PTA programs for deadlines and additional information.
- 5. ENTRY REQUIREMENTS.** (All participants must also follow arts category and if applicable, Special Artist Division rules)
 - Only new pieces of artwork inspired by the current year’s theme may be submitted.
 - Each entry must be the original work of one student only. An adult may not alter the creative integrity of a student’s work. Because the program is designed to encourage and recognize each student’s individual creativity, help from an adult or collaboration with other students is not allowed except in the Special Artist Division. Other individuals may appear in or perform a student’s work, but the work itself must be the creative product of one student only. Only one student may be recognized as the award recipient for each entry. *See the specific arts category rules and special artist division rules for details.*
 - Each entry must contain a title and all entries must include an artist statement. The artist statement communicates what inspired the work, how it relates to the theme, and the content of the work. The statement must include at least 10 words and not exceed 100 words.
 - Use of copyrighted material is prohibited, except for background music in dance choreography and film production entries. If used in dance choreography and film production entries, background music must be cited on the entry form. Plagiarized entries will be disqualified. Use of PowerPoint templates are prohibited.
- 6. FINALIST SELECTION AND NOTIFICATION.** Entries are reviewed at local, regional, state and national levels. Each PTA determines its own reviewers for the program. Entries will be reviewed primarily on how well the student uses their artistic vision to portray the theme, their originality and creativity. The National PTA Reflections[®] program makes no restrictions on content or subject matter in artwork. Under no condition may parents or students contact a reviewer to dispute the status/score of any entry. Each PTA in its sole discretion will select finalists for exhibition and provide awards/prizes. Awards are announced per local and state procedures. National awards and events are announced May 1, 2019 at PTA.org/Reflections.
- 7. OWNERSHIP AND LICENSE.** Ownership in any submission shall remain the property of the entrant, but entry into this program constitutes entrant’s irrevocable permission and consent that PTA may display, copy, reproduce, enhance, print, sublicense, publish, distribute and create derivative works for PTA purposes. PTA is not responsible for lost or damaged entries. Submission of entry into the PTA Reflections program constitutes acceptance of all rules and conditions.
- 8. PARTICIPATING ENTITIES.** This program is administered by the National Parent Teacher Association (PTA) and PTA affiliates. Parent groups not affiliated with National PTA are not eligible to sponsor this program.

Welcome back to the Art Room, Kirtland Elementary Families!

We are off to an exciting start to the year in our Art Room. We are creating three exciting collaborative art pieces that will be displayed around and in front of Kirtland Elementary School! I am looking forward to watching your children's creativity flourish in unimaginable ways this year!

We will once again be posting our art projects on **ARTSONIA**, which not only lets us share the artwork with friends and relatives far away, but also offers us a wonderful way to earn funds for our K-5 art program through customized keepsakes. I am happy to announce that with last year's funds raised, we were able to purchase needed art supplies and new aprons for our primary grade level artists!

I look forward to working with your children and am always impressed and amazed to see how they grow, change and create over the course of the school year. I hope you enjoy all the masterpieces that the 2019-2020 school year will bring!

Please be on the look out for an email from **ARTSONIA** asking your permission to post your student(s) artwork in this digital gallery format.

A message to Kindergarten Families:

A special welcome to all our new families! In Kindergarten, we keep things simple, have lots of fun, and do our best to learn the basics about colors, shapes and how we can find art all around us. Since many of you will be learning about the Artsonia gallery for the first time this year, don't hesitate to contact me with any questions or, if you need information on your child's gallery.

Contact information: carol.bradac@kirtlandschools.org and you can follow me on Twitter @MrsBradac_KES.
