Kirtland Schools'

Bright Beginnings Preschool

The 2018-2019 school year is just around the corner and we are excited to begin enrolling children for the upcoming school year.

The Kirtland Schools' Bright Beginnings Preschool will open its doors on Monday, August 27, 2018.

Parents will have the opportunity for an individual meet and greet with the classroom staff the week of August 20, 2018.

In addition, The Kirtland Schools' Bright Beginnings Preschool staff will offer summer outings and get-togethers for parents and children to get acquainted as they begin and continue their Preschool journey.

The Kirtland Schools' Bright Beginnings Preschool provides a stimulating learning environment that develops and enhances each child's educational development in:

- * Cognitive Skills
- * Critical thinking skills
- * Language Development
- * Social and Emotional Skills
- * Pre-Reading and Writing Skills
- * Beginning Math Skills
- * And much more!

Daily routines include instruction and practice that encourage an integration of multiple content areas.

Routines will encourage development of self-confidence by offering children multiple opportunities to make choices, encourage curiosity, problem-solving, and exploration.

Skills and concepts taught will also provide a strong foundation for each child's current and future learning success!

Dear Kirtland Parents and Guardians,

We hope that you are having a wonderful school year! As we look forward to and prepare for the 2018-2019 school year, we are reviewing our services, staffing and classroom needs.

Kirtland Preschool is in an exciting place right now! Over the past year we've implemented several improvements to the program - continuing to invest in the quality of our educational project and learning environment, while increasing rigor in an inquiry and exploratory academic environment. Instruction continues to be based on the State of Ohio Preschool Standards and Curriculum, but we have also aligned the program with Kindergarten expectations, which promotes success as our preschool students make the transition. Our preschool staff led by Heather Miller, certified in Early Childhood Education, works with our Kindergarten staff as well as area Preschool teachers to enhance instruction and programming.

In addition to our continuous effort to improve instruction and school readiness, we also reviewed district expenditures to preserve the quality education and services provided to all students in the Kirtland Local School District.

As staffing and supply costs increase to continue offering updated materials and services, the district plans to increase Kirtland Preschool tuition for the 2018-2019 school year. To remain fiscally prudent and in line with the price of other local preschools, while providing excellent instruction, the cost of next year's preschool tuition will increase to \$170 per month, or \$1,630 annually. A \$100 non-refundable deposit will be required to secure your child's placement in the Kirtland Schools' preschool program.

Our goal is to meet the needs of our Kirtland families while following the Ohio Department of Education's Preschool regulations, which impact class size and student/teacher ratios. While we remain fiscally prudent, administration will monitor preschool enrollment for the 2018-2019 school year. Preschool enrollment will determine class offerings; families will be notified by June 15, 2018, if there are any changes in classes.

Kirtland Preschool registration begins **Monday, April 9**. Appointments can be made by contacting Diana Simpson at (440)256-1007 or at diana.simpson@kirtlandschools.org.

Please view the Kirtland Schools' Bright Beginnings brochure for further information. If you have any questions, please contact Becky Malinas at becky.malinas@kirtlandschools.org.

Sincerely,

Becky Malinas

Kirtland Spring Auction

When: Saturday, April 28th - 7pm-11pm

Where: K&D - 4420 Sherwin Rd, Willoughby, OH 44094

Formal Invitation to follow

Kirtland Teachers,
The PTA's **Annual Spring Auction** is rapidly approaching.
It will be a fun night! There is no charge for teachers to attend! We will have food, fun and drinks provided.

This is the PTA's **biggest fundraiser** of the year and that is largely thanks to our generous **teacher donations!!** We appreciate the fun teacher baskets & experiences you all have offered in the past. The kids and parents love to bid on them! Please let us know, by **April 14th**, what you would like to donate by contacting:

Ingrid Kraft at Nagleie@aol.com or **(440) 840-9670**.

If you know of anyone else who would be willing to donate please send them our way!

We are also very excited for our theme of the night "**Securing our Future**". We plan to use the money raised to provide increased security measures to the entire **Kirtland School District!** We are currently very interested in the door reinforcing products offered by BEARACADE. This is an Ohio company based in Hudson. The BEARACADE device is currently used in the Mentor School District. Visit their website at www.BEARACADE.com.

Camp Enrollment Based on 2018-19 Grade Level

Lego Robotics

June 4 - June 8
MMS Media Center
6 & 7th Graders

Experience the amazing world of FIRST LEGO League! This camp is designed to give beginners a taste of the fun of the FLL season. Campers will learn the basics of building and programming a Mindstorms EV3 Robot. They will develop collaborative skills while working in teams to research a real world problem and develop an innovative solution. Please bring a light snack, a water bottle, and earbuds.

Coding

June 18 - June 22
Paradigm
3-5th Graders

Participants will explore the basics of computer coding and work with free web tools and apps. We will also work with a small programmable robot and play games to learn the language of coding. Students will use code to create a unique artistic design that they will wear home on a tee shirt. We'll end the week with an exposition for families so we can share all the wonderful things we've explored. Campers will need to bring a light snack, a water bottle, and earbuds to camp each day.

3D Design

June 11 - June 14
Shore Middle School
7 & 8th Graders

3D printing and design are some of the fastest growing STEM fields. 3D Printing and Design Camp is a four-day experience. Campers will have the opportunity to design and 3D print, vinyl cut and laser engrave their own original creations, and objective-based pieces for camp projects and challenges. All campers can take home their projects at the end of the week. Come experience the latest and greatest 3D modeling and printing products Mentor Schools has to offer!

SUMMER SPRKS!

May 29 - June 1
Shore Media Center
7 & 8th Graders

The mission is for students to increase their knowledge in science, technology, engineering and math through Summer SPRKS! using hands-on, engaging activities while becoming skilled using the robot ball called "Sphero". Sphero is the world's first app-controlled robotic ball and is a sophisticated companion for a iPad, iPod, Smartphone or tablet. Play is a powerful tool and by fusing technology with robotics, it will be inspiring tomorrow's inventors and innovators.

VEX Robotics

June 4 - June 8
MHS I-107
8 & 9th Graders

VEX Robotics Camp will take students through designing, building, programming and racing a VEX robot. After creating a ClawBot, students will compete in the ClawBot Olympics, a Mario Kart bot where participants will race and try to knock out fellow campers' bots, and a Mars Rover bot that will be programmed to go through an obstacle course. Parents are invited to race/competition days. Students will learn robot design, problem solving and collaboration.

COOKING WITH CARDS

June 4 - June 8
MHS D-101
4-6th Graders

Cooking with Cards will give your child(ren) the opportunity to work in a kitchen with other students their age while being supervised by experienced Family & Consumer Sciences teachers. Students will learn basic cooking techniques including safety & sanitation practices. Students will utilize their reading, math, & teamwork skills during this camp when reading & preparing recipes. This camp will help students gain confidence in the kitchen as well and encourage them to try new foods & recipes.

Babysitting Basics

This class is for Kirtland teens who will be babysitting this summer and want to learn the basics of sound childcare. The class covers the business aspect of babysitting, age appropriate activities, and staying safe while in charge of children. The Kirtland Fire Department teaches basic first aid, Heimlich maneuver, injury prevention, and what to do in emergency situations. This class is only offered once a year, before summer vacation. Activities are geared toward the first-time babysitter in 5th or 6th grade, but older teens are welcome.

An email confirmation will be sent out one week prior to the class. Space is limited. All registration is first come, first served. Instructor: Wendy Bak.

Sat., April 21
