Physical Education News from Mrs. G:

Grades K, 1, and 2 have been working on building their jump roping skills. Jump rope is a great way to exercise your heart! We have also been discussing the importance of daily exercise.

Grades 2, 3, 4, 5 have all taken the Pacer Test; ask your child how they did! The Pacer test is a running test in which the students run a 20 meter lap at a certain pace. The pace increases with every level (about 7 laps). It is a great test of aerobic fitness as well as hard work.

Looking ahead: We will be rollerblading in grades 3, 4, and 5 starting the week of **March 30 through April 24**. **All students will be required to bring in their own bike helmet to wear during this time**. Rollerblades will be provided along with plenty of instruction.

Feel free to contact Mrs. G. with any questions at mary.grdadolnik@kirtlandschools.org

Hello Kirtland Elementary Families!

We would like to express our sincere appreciation for viewing your child's artwork, as well as purchasing items to support the K.E.S. Art program's fundraising efforts.

Your children have been hard at work in the art room continuing to create many different and exciting projects. We ask that you keep checking back regularly for new artwork posted each week. We are attempting to upload as many as we can for your enjoyment!

We know it's early, but before long, Easter will be here and then Mother's Day! This year is going by so quickly! Please take a moment to browse the **ARTSONIA** gift shop as you'll find creative ways to capture your child's artwork in various forms. The **ARTSONIA** items make wonderful gifts for birthdays, holidays, and thinking of you moments! Your child's artwork can be placed on T Shirts, coffee mugs, art snap jewelry, postcards, canvas prints, magnets, ornaments, and many more. Simply log on to **ARTSONIA.COM**. You can either type in your child's screen name or Kirtland Elementary to access artwork. Then, simply click on Giftshop to find your favorite piece of art and follow the links to customize your order. Kirtland Elementary will receive 20% of the proceeds from each sale. Thank you for your continued support!

Creatively Yours,
Carol Bradac and Rose Caruso

SPRING 2020

JUST RUN of Lake County is a FREE running program for children that culminates at the JUST RUN 5k in Fairport Harbor on Saturday, May 23, 2020. If you're a JR veteran, welcome back. If you've heard of JUST RUN, join us! We practice at KES on weekday mornings before school. JUST RUN is open to any current 3rd, 4th or 5th grade student. Students are dropped off by a parent at the atrium doors by 7:30am, supervised by coaches during running practice on the track, and then go to school at regular arrival time.

Kindergarten, 1st or 2nd grade students are allowed to participate only if they are accompanied by their own parent to each practice session.

Running practices will be scheduled at KES during the following days at 7:30AM:

Week 1- Tuesday April 7 and Thursday April 9

Week 2- Tuesday April 14 and Friday April 17

Week 3- Tuesday April 21 and Friday April 24

Week 4- Tuesday April 28 and Friday May 1

Week 5- Tuesday May 5 and Thursday May 7

Week 6- Monday May 11 and Thursday May 14

Week 7- Tuesday May 19 and Thursday May 21

We combine running, stretching, games, races, and discussions about healthy lifestyles/race etiquette. We will practice in very light rain and hot/cold temps, just as on race day. In the event of seriously inclement weather (steady rain, snow on the track, below 20s wind-chill) we will stay indoors. If we need to cancel practice for any reason, we will email parents the night before school. Please ensure students have layers of athletic clothing and proper sneakers similar to a Physical Education day at school. New shoe orders are optional and available at a sale price at Second Sole Mentor from March 1- March 15th ONLY.

Online registration for our Kirtland JUST RUN team and 5k race in Fairport Harbor (one registration covers both) opens February 25 and continues through March 20. This time period includes the beginning of spring vacation so plan accordingly to register on time. Instructions are on the back of this sheet. Please pay careful attention to your shirt sizes. Once shirt sizes are ordered they cannot be changed. Since we practice in the mornings, choose any "after JR practice..." option in registration. Your child will simply stay at school for the day. Parents of K/1/2 students may register themselves as volunteers OR may sign a paper waiver at first practice to accompany your child during training. If you don't enter the race, your child will be responsible for racing on their own. Coaches and other adults are there to support your runner if you choose to watch the 5k.

JUST RUN alumni from prior years as well as parents of grade 3/4/5 students, spouses, grandparents, and neighbors who want to join on race day to support their student runner may practice at home and register for the Friends and Family 5k (same event, different name, different shirts to distinguish those K-5 students in JUST RUN). Unlike waiting in past years to register, Friends and Family 5k registration also opens right now and there is an early bird rate of \$15 until March 20. After that date, registration cost will be \$20 until May 18, and the final price is \$25 until day of race. If you have any questions, feel free to contact Megan MacGillis (Registration Coordinator) at megan.s.macgillis@gmail.com. We look forward to seeing students running and continuing fitness in their lives!

FIRST PRACTICE IS 7:30am Tuesday, April 7. WE WILL SEND ADDITIONAL INFO BY EMAIL TO ONLY THOSE STUDENTS WHO HAVE REGISTERED, INCLUDING MORE DETAILS ON HOW TO ORDER SHOES FROM SECOND SOLE.

Sincerely, The KES JUST RUN Spring Team 2020- Chad Van Arnhem, Misty Morris, Megan MacGillis

JUST RUN LAKE COUNTY Registration Process for Coordinators, students and adult volunteers:

For the Spring 2020 session of JUST RUN, registration for the program and race will be done together at the beginning of the program. There will not be a separate race registration for students. Coordinators will be issued both program t-shirts and race bibs for all students registered in the program.

Step-by-step registration for students/adult volunteers:

1. Go to the registration page for JUST RUN which can be found at the direct link:
<https://register.chronotrack.com/r/56877>
2. Select your school
3. Enter Personal Information
4. Read waiver, click 'agree to terms and conditions' to agree to the waiver
5. Complete Address
6. Complete Emergency Contact information
7. Select t-shirt size *Please be aware that there are both adult and youth sizes to choose from. Adult sizes range from S-2XL and youth sizes from YS-YXL have a "Y" in front (i.e. YS is youth small, YM is youth medium, YL is youth large and YXL is youth extra large). Your student will get what size you register them for.
8. Select either what grade the student is or that you are a volunteer, enter teacher's name and then choose the after practice option for your student. In order to proceed to the next page, you must fill in and choose each option, so as an adult volunteer, just choose any option to proceed.
9. Choice for Athlete updates on race day if you would like
10. If you have another student to register, click "Add new entry", if not click "I'm not a robot" and then click "Checkout" – there are no fees
11. Click "Submit" on last page to finalize.

JUST RUN LAKE COUNTY Registration Process for "Family and Friends 5K"

Registration for the Friends and Family 5K will open on 2/1 and remain open until race day, although prices are best the earlier that you register.

This option is for family and friends of the participants to register and participate in the "Family and Friends 5K" race which is run concurrently with the JUST RUN 5K on May 23rd at Fairport Harbor:

1. Go to the direct link:
<https://register.chronotrack.com/r/56877>
2. Proceed as instructed to register for the race. This option is ONLY for family/friends – students are already registered for race if registered in the program. There is a fee for all people to participate who are not registered in the program. Race fee is \$15 to cover the t-shirt, race bibs, (and new this year) medals for all, and race day costs until 3/20 and then will go up to \$20. Race registration will remain \$20 until 5/18 when it goes to final price of \$25 through race day.

Kids' Shoe Program with Second Sole Mentor

What: This program is designed to ensure your child's running success by providing an opportunity to fit him/her in footwear that matches his/her body mechanics, prevents injury, and keeps him/her running happy.

Dear Kirtland Parents and Guardians,

We are looking forward to registering your child in the Kirtland Schools' Bright Beginnings Preschool for the upcoming school year! Many parents have already expressed their desire to have their child continue to attend the preschool housed at Kirtland Elementary School. We are very excited and pleased that your child has enjoyed the program this year and we look forward to your child continuing to grow in his/her academics in the year to come!

Registration: Kirtland resident registration opens on February 3, 2020 through April 24, 2020. Parents may register their child through the Kirtland Schools' website (<http://www.kirtlandschools.org/>) under the "Parent" tab in the "FinalForms" link. All paperwork must be completed to register your child.

Bright Beginnings Class Placement: To secure your child's placement in Bright Beginnings, parents must complete the registration packet in "FinalForms" and pay the \$100.00 deposit. Checks should be made payable to the Kirtland Local School District. Students will not be placed into a Bright Beginnings classroom until the FinalForms registration packet is completed and the deposit is paid. You may send the deposit to Diana Simpson at the Kirtland Board of Education.

Students must be 3 years old by September 1, 2020 and must be potty trained by the first day of school to attend Bright Beginnings.

Number of Classrooms: The number of Bright Beginnings' classes will depend upon student enrollment. Currently Bright Beginnings offers one class in the morning from 8:45-11:15. Our goal is to offer an afternoon class from 12:15-2:45; however the additional class will only be added if the number of students enrolled substantiates the additional classroom. A decision on the number of classes that will be offered will be made in April and parents will be notified by April 27, 2020 if their child has been placed in a Bright Beginnings Class.

Open House: Thursday, February 20, 2020 from 4:00-6:00 p.m. We welcome you and your child to meet the teacher while visiting the preschool classroom and learning about the curriculum, instruction and schedule.

Additional Information: If you have any questions, please contact:
Diana Simpson at (440)256-3311, ext. 1007 or at diana.simpson@kirtlandschools.org.
You may also reach Becky Malinas at becky.malinas@kirtlandschools.org.

Sincerely,
Becky Malinas

Kirtland-Schools'

Schools'

Bright Beginnings Preschool

2020-2021

The 2020-2021 school year is just around the corner and we are excited to begin enrolling children for the upcoming school year.

The Kirtland Schools' Bright Beginnings Preschool will open its doors on Monday, August 24, 2020. Parents will have the opportunity for an individual meet and greet with the classroom staff the week of August 17, 2020.

In addition, the Kirtland Schools' Bright Beginnings Preschool staff will offer summer outings and get-togethers for parents and children to get acquainted as they begin and continue their Preschool journey.

The Bright Beginnings' Preschool staff will contact families once the summer dates and locations are determined.

Bright Beginnings Preschool

The Kirtland Schools' Bright Beginnings Preschool provides a stimulating learning environment that develops and enhances each child's educational growth and success in:

- * Cognitive Skills
- * Critical Thinking Skills
- * Language Development
- * Social and Emotional Skills
- * Pre-Reading and Writing Skills
- * Beginning Math Skills
- * And much more!

Daily routines include instruction and practice that encourage an integration of multiple content areas.

Classroom structure and routines encourage each child's development of self-confidence through curriculum embedded skills that encourage decision making, curiosity and exploration, problem-solving, creativity and social skill development.

Skills and concepts taught will also provide a strong foundation for each child's current and future learning success!

CAMP SCHEDULE

We heard how much it meant to you that all of our camps were taught by licensed educators, something you don't find at many other camps in this area, so once again we are proud to offer that for every camp. But deeper learning and the quality of our teachers are not the only things that make us unique. Camp Curiosity's before- and after-care features continuous learning throughout; we offer NASA space camp programming you can't find anywhere else; camps are taught in the one-of-a-kind environment of the Science Center; and each camp attends a movie in the Cleveland Clinic DOME Theater.

Bringing STEM to life for the families of Northeast Ohio has been our passion for nearly 25 years. Other organizations may offer STEM programming in the summer, but we live it yearround. So if your child has been to camp with us before, welcome back! And, if you're new to Camp Curiosity this year, we know your child is going to have a great experience learning new skills in a fun, hands-on setting, making new friends and creating lasting memories.

MARCH 23 - 27, 2020

APRIL 13 - 17, 2020

GREAT LAKES
Science Center

Amazing one-day Spring Break Camps for grades K-8

STEMventure Skills Lab

March 23 and April 13

Science villains have transported you and your friends to an island in the middle of Lake Erie. The challenge is to work together to develop the STEM skills needed to escape the island and save science. Through collaboration and creativity, you will engineer tools, explore light and sound waves to enhance your senses, and use technology to navigate your way to success.

Chemical Explorers: Culinary Chemistry

March 24 and April 14

Mixing, measuring, and mess have never been this much fun. This camp is the catalyst to a journey through the periodic chart where you become the mad scientist and take over the lab to uncover the mysteries behind mayonnaise, the color of candy, and other curiosities of kitchen chemistry.

Tech Creators

March 25 and April 15

We take art technology to the next level by challenging you to explore the science behind art. You're in the Director's seat as you create special effects, experiment with color theory, and manipulate light and sound as you work on your own art tech masterpiece.

Mind Tricks

March 26 and April 16

You're transported through the human body to learn how this marvelous machine works and uncover the mysteries behind incredible illusions. Through real and virtual eye dissections, you will examine the anatomy of the eye and transform yourself into light waves to learn how the eyes and brain work together to distort reality. Diving deeper into the human body, you will experiment with balance and reaction time to enhance your super science skills.

Space Camp: Orion's Mission

March 27 and April 17

You've been recruited by NASA to be the first humans to inhabit the Moon. As you're transported through the atmosphere onboard the Orion capsule, you are given specific orders to collect as much data as possible and relay your findings to Earth. Your mission on the Moon will last three years and it is up to you and your crew to code robots, engineer rovers, strategize for survival, and have fun while researching the lunar landscape.

Welcome back to the Art Room, Kirtland Elementary Families!

We are off to an exciting start to the year in our Art Room. We are creating three exciting collaborative art pieces that will be displayed around and in front of Kirtland Elementary School! I am looking forward to watching your children's creativity flourish in unimaginable ways this year!

We will once again be posting our art projects on **ARTSONIA**, which not only lets us share the artwork with friends and relatives far away, but also offers us a wonderful way to earn funds for our K-5 art program through customized keepsakes. I am happy to announce that with last year's funds raised, we were able to purchase needed art supplies and new aprons for our primary grade level artists!

I look forward to working with your children and am always impressed and amazed to see how they grow, change and create over the course of the school year. I hope you enjoy all the masterpieces that the 2019-2020 school year will bring!

Please be on the look out for an email from **ARTSONIA** asking your permission to post your student(s) artwork in this digital gallery format.

A message to Kindergarten Families:

A special welcome to all our new families! In Kindergarten, we keep things simple, have lots of fun, and do our best to learn the basics about colors, shapes and how we can find art all around us. Since many of you will be learning about the Artsonia gallery for the first time this year, don't hesitate to contact me with any questions or, if you need information on your child's gallery.
