

KMS Builders Club

Sponsored by

The Kirtland Kiwanis Club

The KMS Builders Club is a service club. Membership is open to all students at KMS. The Club meets a minimum of once every month right after school. Students elect a President, Vice President, Secretary, and Treasurer. The Officers for the 2022 - 2023 school year will be chosen at a meeting this fall.

The activities of the Builders Club include service projects for the school and the community chosen by the group and approved by the advisors and the school. Funds are raised by the club for use in these projects. Fundraising events and service projects are open to all members. Regular Club meetings will be held on the second Wednesday after school, with special meetings as announced. Members will be able to catch the late bus (elementary) home or arrange for parent pick up. See below for typical club activities.
