PHILOSOPHY

Children are curious about their world and full of wonder making preschool a crucial time of learning. Early childhood education fosters independence and creativity in all areas of learning so that young children may know the true joy of discovery. Through a prepared environment, preschools can offer a broad spectrum of experiences that spark the imagination of children and alert them to the vast possibilities that their world presents. Exploring together with other children provides an opportunity for children to understand their own needs as well as the needs of others.

The Kirtland Preschool program has definite objectives and goals. The teaching staff accepts all children as valuable and unique individuals. Therefore, it is a goal of every teacher to help the children develop a healthy self-concept so that they feel confident and excited about learning. When children are happy and confident, they are better able to accept and appreciate the uniqueness of others.

The learning environment is designed to accommodate the individual developmental needs and ages of the children. This is accomplished with interest centers, small and large group activities, and one-on-one learning experiences. It is the goal of these experiences to foster self-motivated learning. Play is viewed as another essential component of a positive preschool experience. Play is a natural arena in which children inquire, explore and gain an understanding about their world. In this balanced approach children have many daily opportunities to grow socially, cognitively, physically and emotionally. A balance between free choice and structure fosters responsibility, intrinsic discipline, and confidence. All children, with or without a disability, are seen as children first. The Early Childhood Program applies the same positive learning principles to all children in the program.

The Kirtland Local School District does not discriminate on the basis of race, color, religion, national origin, sex or handicap in education programs and activities.

ARRIVAL/DEPARTURE PROCEDURES

Parents or a designated person shall drop off and pick up their child in the front of Kirtland Elementary School. A sign will need to be posted in your front car window that indicates your child's name. Additional signs may be requested if your child will be picked up by different persons that are listed on your Transportation Form. In the event that your child will be picked up by someone that is not listed on the Transportation Form, a note must be sent with your child the morning of the Transportation change. Any person picking up your child must be prepared to show their driver's license and the name on the license must match the name of the person on the letter sent in with your child. Daily attendance will also be taken.

Both parents' right to pick up: Under the laws of the state of Ohio, both parents have the right to pick up their child, unless a court document restricts that right. The enrolling parent, who chooses not to include the child's other parent on the authorized pick-up list, must file an official court document (e.g., current restraining order, sole custody decree, divorce decree stating sole custody).

Authorized list for pick-up: Persons on the authorized pick up list must be at least 18 years of age and be able to supply documentation of their identity.

Arrival and Dismissal:

- Parents may begin entering the parking lot at 8:35 A.M.
- **Late Arrival for Drop Off and Pick Up:** If you arrive more than ten minutes late for student drop-off, or pick up, the staff may have already entered the building. In this case, parents must drive to the front of Kirtland Elementary, park in front of the atrium, and enter through the Kirtland Elementary Main Entrance to pick up or drop off their child.

EMERGENCY RELEASE

In accordance with state regulations, children are released only to a custodial parent, guardian, or person authorized by the custodial person. If a person other than those noted will pick up your child, a note must be sent in or a telephone call must be placed to Kirtland Elementary School identifying the authorized person. The elementary school office staff will require photo identification from the person picking up the child. Please relay this I.D. policy information to the person picking up the child.

OUTDOOR PLAY

The Kirtland Preschool program is fortunate to have an excellent facility that allows for indoor and outdoor gross motor activities. As a safety measure, children should wear soft sole, non-skid shoes that will not slip off. When the weather permits every effort will be made to spend the gross motor portion of the day outdoors. In colder weather the children will need a warm coat, boots, gloves and hat.

BACKPACK

Every child will need a backpack large enough to accommodate a standard-sized folder, art projects and papers. Please check your child's backpack daily for notes, newsletters, or art projects.

SNACK

Nutritious snacks and beverages must be provided daily by parents. Additional information will be provided by your child's teacher in the case of student allergies in the classroom.
