To Our Kirtland Schools Employees and Parents:

Over spring break, all Kirtland Local Schools buildings underwent voluntary radon testing through EA Group. The results of the testing showed that radon levels in our buildings are all below the recommended levels set by the U.S. Environmental Protection Agency and the Ohio Department of Health.

The testing documentation is available for your review, by appointment, during our regular business hours.

Thank you for your continued support of the Kirtland Local Schools.

Sincerely,

Bill Wade

*Superintendent, Kirtland Local Schools*
