Course of Study Discussion (Scott Amstutz)

Adding courses to better students' programs of studies.

*Honors Geometry to replace Applied Geometry.

*Honors Biology (have never had this here @KHS). Students in Honors Bio will go to Honors Chemistry.

*AP Precalculus –Replacing honors with AP.

*Algebra II (*see link to Proposed Courses for 23-24 below for more info*)

Grades 6–12 Data Update (Scott Amstutz)

6-12 MTSS (multi-tiered student support). Support and Essential Gap.

Closing learning gaps for all students is a vital process for our middle grades with early intervention in the HS. We are looking at each year, looking to answer the question “are we servicing our kids?” We look through multiple data sources and supports. There are three Tiers.

Tier 1– Classroom Practices/Differentiated Instruction/ Potential Personalized Learning Pathways/ Repeated and Varied.

Tier 2–Structured Data driven support/Outside the classroom/Individual - Small Group/ Double Block or MTSS Classroom.

Tier 3– Evaluation for IEP or IEP services

Current Interventions here: MTSS-Miss Summerhill; MTSS-Andrea O’Donnell; Homebase– Structured Homebase; WIN Periods (Special Ed, IEP S’s); 80+ Students that have identified for MTSS 6-8th grade; after school tutoring; there has been an influx in requests by parents for tutoring help.
